

Strategic Partnership Opportunity

Sofvie is Going Global!

Our **safe performance platform** is proven, purpose-built for **high-risk industries** such as mining, construction, and manufacturing.

We've already demonstrated that **sofvie works**. Our platform **reduces incidents, increases compliance, and streamlines operations**, creating **safer and more efficient workplaces**.

Our vision is **bold yet simple**:
Sofvie **belongs** in the hands of **every worker** worldwide.

We are now Seeking our First Strategic Investor:

A partner who shares our **mission and business philosophy** and who brings both the **global scaling expertise and capital** so that **every worker** returns home safely.

Mentorship: World-class **SaaS experience**, including proven global expansion to **amplify** our rapid growth

Capital: Funding that empowers us to **expand internationally** and **scale** our impact **worldwide** by leveraging AI/ML

Commitment: Dedicated to **building, growing, and rewriting the rules** with us wherever **opportunity** leads.

Why Sofvie? Why Now?

This is **not** for the **passive investor**.
This is for the one investor who **believes** that **disruption** is a **responsibility**, and who sees the **opportunity** to **lead technology** into its **next era** on an **international scale**.

Partner with us to expand this legacy of safety, efficiency, leadership, and progress for every worker and the management teams that lead them.
